How can the P&C Help with this?

Marni reminded that the 2016 Budget Allocated \$1,000 for the Prizes.

Please let the P&C know.

5. Principal's Report

Big thank you to Marni for all she has done this year and in the transition.

Orientation was a great day, the last part.
With the in area and siblings they have then not taken any out of area applicants.
Expecting 2 Full Kindy classes for next year.
NRL have been in for a workshop
Just like You (Disability workshop)

Bee Issue. Beekeeper called in, could not capture the Queen, not a hive but a swarm.
Issue is that they are at a low height. Will be monitored.

-School now has a Twitter Account. Will commence Tweeting. Only children with photographic/ publishing permission will be shown
- School Plan for 2018 is underway. School needs to review its vision statement
- Staff has been working on this, children focus groups have been included.
Would like to get some parent focus groups at various times. What sort of times would suit. Important to get as many people involved as possible.

6. Marni Patterson: Provided Update on

a) Library Project. Scope of works has been done and created a design plan.
Relatively happy with plan but a few details to fine tune, to ensure the money is well spent.
Without Technology the estimate was \$20K from a design plan.
Commitment from P&C to provide \$20,000 towards this project at this stage.

b) NAPLAN.

Marni gave an overview about NAPLAN and the areas they can see they will spend time in for improvement.

c) Doors, not approved in September.

LongMar \$4200 for making doors excl fitting and hardware, paint at certain fire standard.

Spotless for complete job \$9,000
