

Important information for 2015 Kindy Parents from the P & C

Hello again and welcome to Dobroyd Point Public School, the School Among the Trees.

We are so glad to see you here and we look forward to getting to know you over the next few months.

We'd like to remind you again about our **tears and tissues morning** to be held on Monday 2nd February after the first official 'drop off.' Tears & Tissues will take place in the library from 9.45am. We hope to see you there.

Save the date – well, the night!!!

We would also love to welcome your whole family to the school so please come and join us at the P & C Welcome BBQ to take place **Friday 13 February**. Pack your picnic blanket and come and meet fellow parents, teachers and of course us, the parents involved with the P&C.

As with every school the P & C hosts events to raise money. The parents at Dobroyd are involved in several fundraising projects and of course we would love you to come and join us. Not only do we fundraise but we also have a lot of fun along the way. The money we raise allows the school to employ a learning support person on staff, provide up to date electronic equipment and to purchase additional teaching aids. The Bayrun, Fete and Trivia Night are the P&C's major fundraisers each year. These events consistently raise over **\$80,000** for the school.

If you would like to be involved in any way with the fundraising activities of the school, no matter how big or small, your efforts will be most appreciated. If you could kindly complete the accompanying information sheet and return it to your teacher. This would be a great help to us with our forward planning.

Shan Humphreys is a mum at the school. Her daughter will be starting in Year 3 this year but Shan is also a Kindy mum. Her son will be starting with your children this year. Shan is our P&C parent representative for Kindy. If you have any questions about the workings of the P&C, the school calendar or a general query Shan will be available to help you or to point you in the right direction.

We also have a Facebook page which we invite you to join. It is **DPPS P&C** - we understand that people are busy and that electronic information is a quick and efficient way to be kept up to date. The school also uses the School news that is available free to download from <http://apps.schoolnews.com>. The majority of school communications from permission notes to our fortnightly newsletter are sent this way.

Once again, welcome to Dobroyd Point. We look forward to sharing lots of fun times with you over the next seven years - please don't forget to fill out the form on the next page and return it to your teacher.

Join the conversation

The P & C is a great way to get to know how the school works. P & C meets at 7.30pm and are held in the school library. Anyone is welcome to attend.

The meetings are very informative and very informal! **Can't make a meeting?** Follow the P&C on Facebook and remain up to date with the latest events and conversations.

Agenda items, minutes and documents distributed at meetings are on our website.
