

TRAIN WORKS

Trainworks Education Program Launch Thirlmere, Sunday May 26th 2013 Free Event

Dear Teachers and Support Staff,

You are invited to enjoy a **free day out** on us to celebrate the launch of the new Trainworks Education Program.

Informative, relaxed and social, this free event offers educators an overview of our comprehensive new Education Program which has been developed in conjunction with the Powerhouse Museum and the Office of Rail Heritage.

Your invitation includes a **free steam train ride, goodies bag and guided tour**. We are providing: **free entry and steam train ride for up to 4 guests*** accompanying you on the day.

Trainworks tells the story of NSW rail history through Australia's largest showcase of rolling stock, railway objects and memorabilia. With state-of-the-art facilities, interactive displays, multimedia theatre show and an enormous outdoor play and picnic area, Trainworks offers a unique and appealing excursion venue.

The new Education Program and resources are particularly relevant to K-6 Science & Technology (Stage 1 - Getting About, Stage 2 - Out and About, Stage 3 - On the Move); K-6 HISE (Stage 1 - Transport, Stage 1 - The Way We Were, Stage 2 - Places Then Now and Tomorrow) and K-6 COGS (Stage 1 - Local Places, Stage 1 - Powering On and Stage 2 - Machines).

All school visits are supported by comprehensive pre- and post-visit resources, teachers' notes, worksheets and activities, readily available on the Trainworks website.

Join us on Sunday May 26 and experience everything that Trainworks has to offer for an engaging and inspiring educational experience for your students.
