### Principal’s Report February 2025

- Thank you to everyone for a great start to the year. Thanks to the P&C for organising the Pizza night for this evening.
- Class organisation for 2025:  
6 x classes, including 2 x composite classes.  
Department of Education provides funding for teachers based on student enrolments. This year our allocation dropped from 6 class teachers in 2024 (school funded the 7<sup>th</sup> teacher in 2024) to 5 class teachers in 2025. The school will again fund the extra teacher to form 6 classes in 2025. Mrs McLennan retired at the end of 2024 and was not replaced. Ms Patterson will take on the role of Learning Support, High Potential and Gifted Ed and Innovation.
- Parent contributions – parents are no longer charged for school expenses such as book packs. They will have the opportunity to make a voluntary contribution of \$51 towards school programs. Excursion costs will still be invoiced to parents. Any parents needing financial support should contact the school. The school will continue to apply for Sporting Schools grants to fund sporting programs, such as the gymnastics program in Term 1. Is the P&C interested in providing support for the Athletics Program in Term 2 (approx. \$5000)?
- School Behaviour Support and Management Plan – Based on PBL and is designed to support our students in a positive way – not punitive. Copy distributed to parents at the meeting and is available on school website.
- Swimming carnival was a great day on Tuesday. The Zone carnival is next Thursday.

- Uniforms – new sports shirts look great. I will need to place an order for winter supplies soon. I am exploring some larger sizes for girl's options.
- Zooper Dooper Friday is back and a great success.

Upcoming Dates:

- Assembly next Thursday and odd weeks.
- Zone Swimming
- Parent / teacher interviews Friday 28/2
- Gym lessons starting next Friday
- NAPLAN – 12 – 24 March
- Photo Day 19 March
