### Principal's Report May 2025

- Stage 3 Students attend an overnight excursion at Taronga Zoo. It was a great excursion with lots of wonderful experiences. The behaviour of the Stage 3 students was exceptional.
- Cross Country carnival was held at Timbrell Park and was an enjoyable day. Very high levels of student participation.

- We held our ANZAC commemoration ceremony on 10 April. The ceremony was officiated by our student leaders, and they did an excellent job.
- Our annual Easter Hat Parade was a great success on the last day of Term 1. There were lots of parents and visitors in attendance to see the wonderful hat creations.
- Nine students and their parents attended the Five Dock RSL ANZAC art competition presentation morning tea on 6 May. The club also donated \$500 to the school library.
- Athletics Skills program started on 6 May to prepare students for the athletics carnival. This program was funded by a Sporting Schools Grant.
- The school was used a polling booth for the federal election. Thanks to the P&C for running the sausage sizzle and to Samantha and Jenny for organising the cake stall.
- We held our school open day yesterday which was very well attended by parents and guests. WE also has quite a few perspective parents attend. Parents and visitors were welcome to visit classrooms and other learning areas around the school, including the Italian room, Innovation, the library and the veggie garden. Thanks to Anna for entertaining everyone in the veggie garden and to Lou, Will and Sarah for operating the tea and coffee in the canteen. Thanks also to Anna and Gabe for doing lots of work in the veggie garden over the weekend.
- Walk safely to school day today. The aim is to raise road safety awareness. The SRC handed our tattoos to student who walk to school today.
- The Department have advised the school that the demountable classroom currently used for Italian lessons is to be removed. The Italian language program will be relocated to a classroom in the administration building.
- Would the P&C like to fund a new sound system in the hall? Quote will be available for the next meeting.
