4. TREASURER'S REPORT

Access has been granted to all accounts.

Awaiting end of year report and can then start the audit.

5. PRESIDENT'S REPORT AND GENERAL BUSINESS (MARCUS)

Great progress on the playground. Special thanks to Jenny Rule and Tess Patchett for their assistance with the grant process that was critical to the playground being possible.

Multi-lit program

How multi-lit is being run has been raised by a few parents. Some parents have been notified that their children had been identified as needing the extra support, but were no longer going to be in the program. One of the reasons given for this has been that there are not enough places. Is this something that the P&C can support - financially, or with volunteers?

SM noted:

- that there had been some inconsistencies with previous testing and that some children had been incorrectly identified as candidates for multi lit, which is why some were no longer on the list for the program.

- The focus was on years 5-6 and working down through the waitlist back to years 3-4 now.

- Also that it involves 20 minute session 3 x week, so can be hard to find appropriate volunteers given the time commitment

- Mini-lit is being introduced for K-2 which involves 4 children at a time. Volunteers are being sourced to assist with the program.
