

Catholic Archdiocese of Sydney

Parish of St Joan of Arc, Haberfield

To our Christian Catholic families in our local public schools

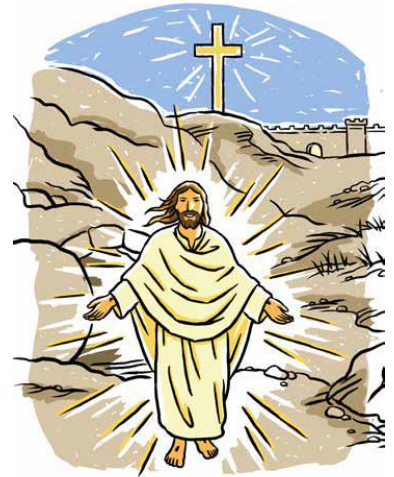

Something for parents/carers who have chosen Catholic SRE to read with their children:

At this time when most children are having school-at-home, we wanted to let you know that you are all in our prayers – your SRE ‘Scripture’ teachers (Catechists) are praying every week for you, especially at the time when your SRE class would have taken place, and for all those with you at home now, as well as for your wonderful teachers who are working so hard for you.

At Eastertime, we remember Jesus – that He is ALIVE – may you take comfort in knowing that Jesus is with you, and those with you at home, and cares for everyone.

Here is a little prayer that you may like to pray together at home:

**Dear Jesus,
You care for us all.
Help us to remember that You are with us always.
Help us to choose good words to say and kind things to do.
Amen**
